Overview of the Boeing Company's Employee Volunteer Gift Match Program

In 2010, Boeing introduced a volunteer gift match program that focuses on the *One Boeing Volunteer Campaign*. This matching plan was revised in 2011 and Boeing now awards monetary contributions to nonprofit organizations where employees volunteer at least 25 hours in one year. The volunteered hours match is \$250 for every 25 hours up to an average monthly maximum of \$500 and an annual maximum of \$6,000.

- **Boeing has capped the maximum annual grants to the Mount Baker Council at \$150,000 •**

Your participation in Boeing's Volunteer Matching Program is critical to our council because it raises much needed Capital funds to improve our year-round camp facilities!

Where the Mount Baker Council will use matching dollars:

After consultation with Boeing management, the council volunteer Executive Board has decided that Boeing matching dollars will go to long-term Scouting needs, rather than to cover short-term operating costs. Having paid off the mortgage on the Everett Scout Service Center and increased the council's endowment, in 2016 and 2017 all Boeing matching hour's payments will go toward improvements at Fire Mountain Scout Camp. These projects will include a new water system, new swim beach, new cook's cabin and the new staff shower house.
