

Philmont 2018

June 26, 2018 to July 9, 2018

Contingent Crew Participant information

Are you ready?

On Tuesday, June 26, 2018 the 2018 Mount Baker Council Philmont contingent will leave Seattle for a two-week mountain adventure at Philmont Scout Ranch in northern New Mexico.

Wednesday, June 27 will be spent in the Philmont base camp, preparing for the wilderness experience and touring the historical site. Then, on Thursday, June 28, the crews will head into the mountains. For the next 11 days, the contingent will hike, camp and cook together as they explore Philmont trails. On Sunday, July 8 they will return to Philmont base camp and prepare for their return to Seattle on Monday July 9, 2018.

This brochure contains more details on the trip and preparations. Read it. Then send in your own application and deposit so you will be included in the experience of a lifetime.

The crew is open to both boys and girls. If at least two girls sign up, we can operate as a co-ed crew.

Philmont has many opportunities for adventure. Besides rugged backpacking on some of its over 300 miles of high country trails and climbing one or more of its numerous peaks that tower over 10,000 feet, there are many programs that you will be able to experience. Depending on the group's hike route, you may be able to experience some of the following:

- Mountain weather prediction
- Logging and pole climbing
- Mountain surveying
- Horse back riding
