MOUNT BAKER COUNCIL

# FMSC CLUB

## Welcome to the Club!

The FMSC Club is the Mount Baker Council's recurring giving program. What this means is you set the amount you want for your gift, and how you wish it be given and that giving continues until you wish to alter your gift.

You have choices on WHEN, HOW and even WHERE you're giving is made.

**When:** You can chose between giving monthly or annually. If you chose monthly, you will be billed each month for the amount of your pledge. If giving annually, you sign up and are billed on or around the same date every year in a month of your choosing.

**How:** You can mail us a check, give us a call and put it on a credit card, or visit our site at [mountbakerbsa.org](http://mountbakerbsa.org) to set up your gift.

**Where:** Don't worry, all your gift is used to support LOCAL Scouting here in the Mount Baker Council. 85% of your gift to the FMSC Club is designated to operating, which pays to keep your everyday programs alive!

Additionally, you have the opportunity to designate the other 15% of your gift:

- Operating – to make sure our day-to-day operations are fully funded.
- Capital – to continue to build and improve Fire Mountain Scout Camp facilities.
- Endowment – An investment in the future of Scouting. Your gift is restricted, and the earnings help fund local Scouting forever. Your recurring donations will accumulate toward a "James E. West" award (recognizing \$1000 in endowment donations).

**Detach the pledge card below and send in to Mount Baker Council, 1715 100th Place SE Suite B, Everett WA 98208**
