**Additional Program Costs..... \$Varies**

*Large programs like family camp, day camp and overnight camp have an additional fee, however even those fees are highly subsidized over other similar camp programs. For example, this year's day camp fees are under \$150 per week and this year's overnight camp is \$185 (3 days, 2 nights). These programs are always optional and vary year to year and program to program.*

*It is our policy that no Scout shall be turned away on the basis of economic status. Through generous grants and contributions, the Mount Baker Council, Boy Scouts of America, is able to offer assistance to registered youth and adults so they may fully participate in the Scouting program.*
