

NEW - Unit Incentive

As part of the Row the Boat objectives, units that have at least 25% of their unit leaders, parents, and adult members as recurring Club donors will have their Club participation count towards objective 2a for Captain level.

Units who achieve the 25% unit donor level will receive their choice of:

- Appropriate program handbooks for all your Scouts each year; or
- A \$17.50 credit for each youth registration at the Mount Baker Council Trading Post.
