SCOUT ME IN™

INTRODUCTION TO 2024 FALL MEMBERSHIP RECRUITING

This year's membership goal is clearer than ever: provide every youth, girl, and family in our council the opportunity to join the adventure of Scouting. The goal of every unit should be to provide a life-changing program to youth of their communities. In addition, units should strive to have a full den of each grade. While these are the Council wide goals, we urge you to develop additional specific recruiting goals for your unit that are tailored to your unique community, demographics, and needs. We know that the best way to meet those goals is through a strong plan. That plan should be built on the foundation of quality unit programming.

RECOMMENDED TIMELINE FOR RECRUITMENT

Year-round: Participate in community open houses, parades, and other community events where you can promote Scouting and your unit.

July/August: Pack Planning Conference (needs to be done ASAP). Plan your Back to the Pack event for your current members.

July: Talk to the local schools about their Back-to-School or Meet and Greet events for new students/families and ask for a display/booth at the event to promote the Pack.

August: Update your Unit Pin on BeaScout.org (include your Join Scouting Event plan) and identify Back to School Event Needs and Access

Mid to Late August: Back to the Pack Event participation and prepare your key promotion plan.

Late August: Ensure your Pack has an effective display and family information at your local Back to School Events

September: Effectively promote and conduct your Join Scouting events – as close to the start of the school year as possible.

By end of September: Conduct your New Parent Onboarding event within 10 days of your Join Scouting event.

First Saturday in October: Have your new Cub Scouts and families attend Cub Scout Adventure Day at Fire Mountain Scout Camp

October Pack Meeting: Conduct a second Join Scouting Event for those that could not attend your initial event.

Late October: Encourage your new Scouts and families (along with your current members) to attend Haunted Camp at Fire Mountain as an impressive way to end their first few weeks of Scouting.

BE VISIBLE IN YOUR COMMUNITY

YEAR-ROUND: Promote your unit and Scouting's program at the various community events during the year. This includes the following:

- Parades: Everyone loves a parade. Have your Scouts in uniforms and pass out unit flyers to the crowd.
- Community Fair Booth: Make sure to have a unit presence at events with large volumes of family traffic.
- Displays: Libraries are excellent locations for displays
- Church Bulletins: Work with local churches to have displays and inserts for their service bulletins.

PACK PROGRAM PLANNING

JULY/AUGUST: There are many resources available to help you with implementing an amazing year of programming. While logistics can be a barrier to delivering great unit program, especially when there aren't quite enough volunteers or when most volunteers are new, it doesn't have to be. Develop a strong plan now and set dates on the calendar, with a strong plan you have something to offer new families and know what you need to ask of volunteers.

Providing a year-round, quality Scouting program should be the goal of every Scouting unit. Ideal Year of Scouting helps you develop an annual program plan, a budget to go along with that plan, and a fundraising plan to reach your program goals. The result is a well-managed, well-financed Scouting unit. To start your Ideal Year of Scouting today, follow the link [HERE](#).

BACK TO THE PACK ACTIVITY

August: Each fall, Cub Scout Packs get a "fresh start" as they welcome brand new Scouts through Fall Recruitment. New Cubs join the packs, new dens are formed, and literally new life comes to each Pack.

Somewhere amidst all the hustle and bustle of join events, many returning families do not get contacted to come back and an essential opportunity is missed. As a result, youth are lost along with potential leadership from their parents. The "Back to the Pack" concept is an effort to get all returning Cub Scouts and their parents reengaged before recharter and recruitment begins, filling both dens and leadership vacancies.

In order to make sure that every Scout knows that the new year of Scouting is about to start and that every family is expected to play an active role, it is recommended that each Pack hold a "Back to Pack" event prior to the fall recruitment. With this event, the pack has the opportunity to set a new tone of full family engagement and volunteering.

We encourage you to make this a fun event for the entire family. Suggested activities include: an ice cream social, watermelon feast, pool party, carnival sports, etc. The meeting is designed to make sure that your pack is ready and organized prior to receiving new Scouts and parents the following month.

Check out the Back to Pack resources at [Back to the Pack Link](#).

UPDATE YOUR UNIT BEASCOUT PIN

BY AUGUST: A key step for successful recruitment is to ensure everything is up to date on your BeAScout.org unit pin. The Council's advertising and marketing campaigns will direct families to BeAScout.org to find their local unit and apply. This means that ensuring your information is correct is a critical part of recruiting new scouts and their families to your unit. Updating your pin includes:

- phone and email listed for the unit's membership lightning rod.
- when/where/how often your unit meets
- date/time/location of your unit's Join Scouting Event
- activation of online applications
- correctly listing if your pack is family or gender only.

For a complete guide on how to access and update your pin go to: <https://www.scouting.org/resources/online-registration/>

ATTEND SCHOOL OR PTA OPEN HOUSE/BACK TO SCHOOL/MEET & GREET

LATE AUGUST: Your neighborhood school administration or its PTA/PTO may host a Back to School or Meet and Greet prior to the start of the new school year. An open house or back-to-school event is probably your first chance to meet new families—and impress them with your Pack! Take advantage of this opportunity with a well-organized display table that will attract parents and help you start building a relationship.

Preferably, prior to the end of school in June, get the date of the back-to-school event and confirm your Pack's participation. Before the school event, recruit volunteers to organize and staff the display table and begin to gather materials.

Recommended materials include:

- A quick Scout activity to do at the table.
- Photos or videos of past Pack activities
- Pinewood Derby Cars and Track
- Tables and Chairs if not provided.
- Volunteers
- Pack Contact and Calendar Sheet
- Pack's Join Event Flyer
- Sign-In Sheet (available through this [LINK](#).)
- Youth Applications
- Adult Applications
- Pens
- Future Cub Scout Stickers or other logo items
- Upcoming community-wide scout event flyers

What are you going to do with the names?

So now you have a bunch of names on the sheet of paper with phone numbers and email addresses. What now?

- Divide the list among your Den Leaders/Parent Helpers to make the calls within one week after each event.
- Follow up with another call 2 to 4 days before the sign-up event. Emails and text messages are acceptable.
- Tell them about how their child will get to (insert your activity) at the join event.
- Give the date, time, and location of your join event.
- Ask them to bring \$ for registration.

PROMOTION METHODS

YARD SIGNS

Materials: Yard signs with information including Join Event date, time, and location, with a contact person and phone number and Cub Scout logo. These are available at your district's August Roundtables or from your district executive.

Timing: Post signs prior to the beginning of the school year and all year long.

Steps: Be sure to be aware of any regulations regarding yard signs. Post as many signs as possible and at strategic locations within the community including intersections. If a school, church, recreation center or other organization will allow it, post signs there as well.

CUB SCOUTS AND LEADERS "SPORT" YOUR UNIFORM OFTEN

Materials: Your uniform!

Timing: Whenever possible...be creative.

Steps: Wearing the uniform is like a walking billboard and can grab the attention of youth and adults. The uniform also serves as a conversation piece. Encourage every member of your pack to wear their uniform to school on the day of your Join Event and to school the days of your pack and den meetings. Be knowledgeable about what all the patches mean and share the excitement of Scouting.

SHOW 'N TELL

Materials: Photographs, awards, uniform, Pinewood Derby cars, Scouting projects, and other exciting visuals.

Timing: Before the pack's Join Event and anytime during the school year.

Steps: Encourage youth to use Cub Scouting as a part of their Show and Tell opportunities in school. Peer-to-peer recruitment is successful, and this is a great forum for Scouts

to share their stories and the excitement of Cub Scouting. If possible, provide handouts with pack joining information for the Scouts to distribute at the conclusion of their presentation.

SOCIAL MEDIA

Materials: Social media accounts.

Timing: Prior to Join Events and after recruitment events are conducted.

Steps: Share information about the Join Event on your personal and unit social media pages and channels. Develop a Pack Information Sheet.

ENCOURAGE CUB SCOUTS TO INVITE THEIR FRIENDS TO JOIN SCOUTING

Materials: Experiences and stories that show they enjoy Scouting.

Timing: As often as they can.

Steps: Host a "Bring a Friend to Scouting" night when each Scout brings one or more friend(s) to their meeting. Plan an activity that will encourage the friends to come back.

ASK FOR ACCESS TO SCHOOL COMMUNICATIONS PLATFORMS SUCH AS PEACHJAR

Materials: Scouting America Digital Assets for fliers

Timing: A minimum of two weeks before unit's Join Event

Steps: Contact the school(s) to ask for access to its communications platform to parents. If the school uses PeachJar, you can create a flier and send it through the Council Website on its recruitment resources webpage and search for the [PEACHJAR](#) link. The Council has funds established to pay for the flier processing cost, on a limited basis.

TIPS FOR SUCCESSFUL JOIN EVENT

September: People come to the Join Event to sign up. They have already decided to join, so they don't need a sales pitch. Keep the meeting as brief as possible (about one hour) and focus on why you're there. If people want to stay afterwards and ask questions that's ok but end the formal meeting as quickly as possible.

Leave the complicated details for a later time. These people are joining a den and a pack – so just focus on pack-level terms.

Have a packet for each family that includes the year's calendar, key leader phone numbers, a page or two of general Cub Scout info, etc. That way they have the key information in writing in case they have to leave early or miss something during the presentation.

Be sure to have adults complete the Join Event Roster when they arrive at the door. After the Join Event, you can contact people who do not sign up for whatever reason.

Inform people what they should do next (e.g., buy a Scout uniform, come to the next pack meeting, when den meetings are, upcoming events they can participate in, etc.).

Recruiting den leaders at the Join Event is a delicate process.

Remember, these people do not understand (yet) that Scouting is a family activity. To them, signing up for Cub Scouting is no different than signing up for baseball. They assume you already have leaders in place and all they need to do is pay. Gently dissolve them of this notion. It is recommended that you conduct a New Parent Onboarding/Orientation session within 7-10 days of the join event.

Displays are great because they tell the Scouting story without taking time out from your meeting. Pictures and Pinewood Derby cars paint an exciting picture of fun and adventures

NEW PARENT ONBOARDING SESSION

SEPTEMBER/OCTOBER: Topics to Cover at Orientation – What Is Most Important Now. Plan for the session 7-10 days after joining event.

A parent onboarding after signup is your time not only for discussion about Cub Scouting and how your Pack operates, but also other matters that your team of leaders and parents should consider – even if they are difficult, like outlining the need to fill key open positions and upcoming retirement of key leaders. A possible agenda is:

- Welcome and Introductions – Cubmaster or Committee Chair
- How Our Pack Operates (Share unit calendars and Information Sheets) – Cubmaster
 - How Den and Pack Activities and Meetings work
 - Pack Special Activities/Camping
- The Advancement Program –Advancement Chair or Committee Chair
 - An adult's role in helping their child advance.
 - When advancement achievements are presented
 - Catching up if you must miss a meeting.
- Who pays for Scouting – Treasurer or Committee Chair
 - National Registration Fee, Council Activity Fee, and Pack Program Fees
 - Where to get a uniform and book
 - Pack fundraisers and available financial aid (Pack and Council Opportunity Fund)
- Den Structure and Activities – Cubmaster
 - Provide time for existing den leaders to meet their new members.
 - Maybe a mentor to work with dens forming new or needing to select a den leader. This can be the time to have the "We Need a Den Leader Talk" with parents about Dens, Den Leaders and how your Scouts need more Den Leaders.
 - Confirm that all dens have their first meeting time, date, and location set. Help if they do not.
 - Handout & review requirements for a simple Adventure.
- Other Volunteer Opportunities - Committee Chair
 - Pack Needs and Job Descriptions.
 - Share where to find training.
 - Promote Youth Protection Training generally to all parents.
- Wrapping Up – Cubmaster
 - Review date, time, and location for next pack activity.
 - Make sure everyone has contact information for pack leadership and den leaders.
 - Thank everyone for attending!

Let Parents Plan to Lead and Succeed -- To help let families get a sense of Cub Scouting and how they really can be leaders, maybe let families plan how to work on a simple Adventure as they get started in a new program year.

- To make this happen, see and share pick a simple Adventure Plan you intend to complete in the next month. [Lion - Bobcat Adventure Activity](#)
- Walk through the parts of the meeting activity.
- You can take volunteers to lead parts of the activity.
